Bolidt Color Manager

The displayed colours are merely indicative. They are displayed to the best of our ability and based on the current technological capabilities. We reserve the right to make changes without any notification.

On-screen deviations depend on the type and brand of monitor. The ultimate colour of the Bolidt systems is affected by the environment, lighting, experience, environmental factors during and after their application, the batch production process, the layer depth of the system and the use of natural raw materials.

We recommend using the original NCS colour card when making a final decision. This colour card can be ordered from the official NCS website: <http://www.ncscolour.com/>.

Changes

We have the right to change the offered information, including this disclaimer, at any time without any notification. It is advisable to regularly check whether there have been any changes in the information offered on or via this website, including in this disclaimer.

Applicable law

This website and disclaimer are exclusively governed by Dutch law. Any disputes arising from or relating to the website will be exclusively brought before the Dordrecht venue of the Rotterdam District Court.
